

Woodside Group Health and Safety Policy

Introduction

The purpose of this Health and Safety Policy and supporting documentation is to help us, Woodside Group, to meet our legal, financial and moral duties with respect to the management of health and safety at work.

The policy is signed by the senior person in the organisation and is a legal document. The Company will aim to carry out its undertakings in accordance with the requirements of relevant health and safety legislation and in accordance with this Health and Safety Policy.

The Directors will support and enforce this policy and will monitor its implementation, use and effectiveness.

All employees are required to work in accordance with this policy, as well as in accordance with workplace procedures, safe systems of work and risk assessment findings.

Benefits of good health and safety management include, but are not limited to:

- Employee safety
- Safety of non-employees (contractors, members of the public, etc.)
- Compliance with legal duties
- Avoidance of legal actions (civil and criminal)
- Avoidance of fines and other costs associated with defending a legal action
- Protection of commercial reputation

We, Woodside Group, will only reap the benefits of good safety management and get value from this Health and Safety Policy, and supporting documentation, if the entire Company is committed to meeting the standards required.

Woodside Group Health and Safety Policy

Health and Safety Policy Statement

Woodside Group

We will establish and implement a Health & Safety Policy to identify, eliminate, reduce and control the risks associated with our premises and undertakings. We will provide suitable and sufficient resources to meet the requirements of current Health & Safety legislation.

We will audit base Health & Safety performance regularly and will revise our Health & Safety Policy as required. We will seek to improve the Health, Safety and Welfare of our employees.

We will carry out suitable and sufficient assessments of the risk arising from our premises, substances and undertakings. We will implement such actions as are required to reduce the risk to an acceptable level, with regard to relevant legislation. Risk assessments will be reviewed regularly and revised as required. We will conduct specific risk assessments that may be required by specific legislation. We will consult with our staff, as appropriate, on issues relating to Health & Safety.

We will provide suitable and sufficient training for our employees to enable them to work safely and effectively, and to ensure they are competent and confident in the work they carry out.

We will ensure that all work equipment is maintained in a safe and efficient condition, with regular checks and inspections. We will provide suitable induction training for all new staff. We will ensure the premises are maintained in a safe and efficient condition, with respect to health, safety and welfare.

We will provide personal protective equipment, as may be required, free of charge to employees.

We will co-operate with others in these premises to ensure that they are aware of any risks to their staff and other people posed by our activities, that we comply with the relevant requirements of fire legislation.

Everyone, whilst at work, has a duty to take reasonable care of their own health and safety; to take reasonable care of the health and safety of others who may be affected by their acts or omissions; to co-operate so that the employer can comply with statutory provisions; not to misuse or interfere with anything provided in the interests of health and safety.

Employees' Responsibilities

Introduction

Employees have a duty to ensure their own health and safety whilst at work and the health and safety of those that might be affected by their acts or omissions.

Some simple aspects of the employees' responsibilities are laid out in the Company's Health and Safety policy, all job descriptions and the Employee Rules.

At Woodside Group, it is the responsibility of all employees:

- To take reasonable care of their own health and safety and that of others affected by their acts and omissions.
- Not to interfere with or misuse, intentionally or recklessly, anything provided in the interests of health and safety.
- To co-operate with the Company (or its representatives) so that it can fulfil its legal duties.
- To set a good personal example in relation to health and safety.
- To act in accordance with any specialist training received (such as First Aid, Fire Safety, etc.)
- To report to management, using the portal form, any dangerous work situation and any shortcomings in safety arrangements so that appropriate remedial action can be undertaken.
- To fulfil the Health and Safety responsibilities assigned to them in their job description to the best of their ability
- Where appointed to a specific H&S role such as Fire Marshal, Mental Health First Aider, First Aider, H&S Safety Administrator or otherwise, attend all necessary training and conduct the responsibilities as instructed by their job description, Line Manager or Director of People and Culture as required.

Health & Safety Rules

Introduction

The importance of adherence to health and safety rules in protecting the health, safety and welfare of employees, as well as protecting the health and safety of non-employees is

Woodside Group Health and Safety Policy

recognised. The following health and safety rules are to be considered as documentation of the common sense rules that govern health and safety at work. Employees are reminded of their duties, under Section 7 of the Health and Safety at Work Etc. Act 1974, to ensure their own health and safety (as well as that of others who may be affected by their acts and omissions) and to co-operate with the employer in matters relating to health and safety.

Directors and Managers

- The directors and management staff will be accountable for the implementation and effectiveness of these health & safety rules.

Employees will:

- Co-operate with the Company (and its directors and managers) in fulfilling its legal obligations in matters relating to health and safety.
- Not intentionally, or recklessly, interfere with anything provided in the interests of health, safety or welfare.
- Report to management, using the portal form, any dangerous work situation and any shortcomings in safety arrangements so that we can take the necessary remedial action.
- Not use any equipment, vehicles, substances, etc. that they have not been trained and authorised to use.

Fire Safety:

- Familiarise themselves with the fire safety arrangements for the site.
- Ensure that they are aware of assembly points, location of fire exit routes, firefighting equipment and fire alarm call points.
- Not prop open fire doors or tamper with firefighting equipment.
- Maintain clear, unobstructed access to all exit routes.
- Report any defects in firefighting equipment, blocked exits or obstructed escape routes, etc.
- Not smoke within the premises, use only the designated smoking areas.

Woodside Group Health and Safety Policy

General Workplace

- Maintain all access and egress routes throughout the workplace in good condition and ensure that they are free from obstruction and slipping and tripping hazards at all times.
- Never leave cables trailing across floors unless absolutely necessary and then only if the appropriate warning sign is used.
- Keep work areas and workplaces clean and tidy.
- Ensure that rubbish, debris and other waste materials are removed from the workplace at appropriate, regular intervals.
- Clean up or report spillages, but must not expose themselves to harm (known or unknown).
- Ensure that lighting, ventilation and heating are all satisfactory and report any defects.
- Adhere to last man standing policies in place across the bases

Accidents and Near Misses

- Report all injuries, accidents and cases of ill health, including minor injuries, caused by or affecting their work to their Line Manager using the [staff portal](#), the [accident/near miss form](#)
- Ensure the details of accidents and injuries are recorded in the First aid report book
- Report all dangerous occurrences and 'near miss' incidents.
- Report any medical condition or medication that they are taking which could affect their ability to carry out work safely.
- Must not work if they have taken any substance that could affect their ability to work.
- Report immediately any situation that they become aware of that has the potential to cause an accident or injury.
- Co-operate with any incident or accident investigation.

Woodside Group Health and Safety Policy

- Must not leave potentially dangerous equipment unattended while it is in operation.
- Must not carry out repairs and maintenance on work equipment unless they have been trained to do so.
- Must not use work equipment unless a risk assessment has been carried out and, where appropriate, a safe operating (or working) procedure (SOP or SWP) has been implemented.
- Must not use work equipment where there are missing or defective guards and safety devices.
- Must complete machinery guarding and safety device inspections at the appropriate frequency.
- Must report any faults or defects in work equipment , guards or safety devices immediately.
- Must not interfere with, defeat or otherwise damage or overcome any guard or safety device.

Hazardous Substances

- Must only use substances and materials that they have been trained and authorised to use.
- Must make appropriate use of all suitable control measures (such as PPE, etc.)
- Must not use substances without access to suitable health and safety information.
- Must ensure that all substances and materials are stored in appropriate locations.
- Must ensure that labels (and warning signs) on all substances and materials are clear.
- Must not store hazardous substances in unlabelled (or mislabelled) containers.
- Must clean up or report spillages, but do not expose themselves to harm (known or unknown).

Protective Clothing And Equipment (PPE)

- Must use the PPE provided in accordance with information, instruction and training.
- Must maintain all PPE provided in good condition.

Woodside Group Health and Safety Policy

- Must report any defects found in PPE.

Company Vehicles

- Must not drive (or operate) a vehicle if they are not authorised to do so.
- Must not drive a vehicle for which they do not hold the appropriate licence or permit.
- Must always check the vehicle prior to use according to the Woodside Group safe driving policy.
- Must not tamper with the vehicle.
- Must report any damage caused to the vehicle and to property.
- Must not use mobile phones whilst driving
