

Woodside Group Accessibility Policy and Plan

At Woodside Group our values reflect our commitment to a culture where there are high expectations of everyone. Students are provided with high quality learning opportunities so that each student attains and achieves all that they can. Everyone in our school is important and included. We promote an ethos of care and trust where every member of our school feels that they truly belong and are valued. We work hard to ensure there are no invisible students here, recognising everyone's uniqueness and success. We recognise learning in all its forms and are committed to nurturing lifelong learners. This Accessibility Plan is drawn up in compliance with current legislation and requirements as specified in Schedule 10, relating to Disability, of the Equality Act 2010. Designated persons are accountable for ensuring the implementation, review and reporting of progress of the Accessibility Plan over a prescribed period.

The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that "schools cannot unlawfully discriminate against students because of sex, race, disability, religion or belief and sexual orientation".

According to the Equality Act 2010 a person has a disability if:

(a) He or she has a physical or mental impairment, and

(b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

Objectives

Woodside Group is committed to providing an environment that enables full curriculum access that values and includes all students, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school, this includes, if required the provision of an interpreter.

The school recognises and values parents' knowledge of their child's disability and its effect on their ability to carry out everyday activities and respects the parent's and child's right to confidentiality.

The Woodside Group Accessibility Plan shows how access is to be improved for disabled students, students with special needs, staff and visitors to the school within a given timeframe and anticipating the need to make reasonable adjustments to accommodate their needs where practicable.

The Accessibility Plan contains relevant and timely actions to:-

- Improve and maintain access to the physical environment of the school, adding specialist facilities as necessary – this covers improvements to the physical environment of the school and physical aids to access education within a reasonable timeframe;
- Increase access to the curriculum for students with a physical disability and/or sensory impairments including autism, or use English as an additional or second language by expanding the curriculum as necessary to ensure

that students with any need are as equally prepared for life as the able-bodied/minded/first language students; this covers teaching and learning and the wider curriculum of the school such as participation in leisure and cultural activities or day trips – it also covers the provision of specialist or auxiliary aids and equipment, which may assist these students in accessing the curriculum within a reasonable timeframe;

- Improve the delivery of written information to students, staff, parents and visitors with disabilities or second language needs; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable timeframe.

Woodside Group Accessibility Plan relates to the key aspects of physical environment, curriculum and written information. Whole school training will recognise the need to continue raising awareness for staff and students on equality issues with reference to the Equality Act 2010.

This Accessibility Plan should be read in conjunction with the following school policies, strategies and documents:

- Behaviour Management Policy
- Health & Safety Policy
- Admissions Policy

The Accessibility Plan will be reviewed on an ongoing basis and treated as a living document with accessibility audit questions, embedded in half termly H&S audits. Consideration will be given, on regular review, to:

- Ambulatory Disabilities - impairments which prevent, or impede walking
- Dexterity Disabilities - physical disability that limits the function of one, or more limbs, which can impact individuals' strength, speed, endurance and coordination.
- Visual Disabilities - impairments which affect sight
- Auditory Disabilities - impairments which affect hearing
- Hidden Disabilities - impairments which significantly impair activities of daily living

The Accessibility Plan will be published on the school website and monitored by the Director of Operations and Director of Education.

The Accessibility Plan may be monitored by Ofsted during inspection processes in relation to Schedule 10 of the Equality Act 2010. It is a requirement that the school's accessibility plan is resourced, implemented, reviewed and revised as necessary. Attached is a set of action plans showing how the school will address the priorities identified in the plan.

By September 2025, it is the intention of Woodside Group to have all sites fully accessible to those with ambulatory, dexterity, visual, auditory and/or hidden disabilities, in line with the schedules set out below; however, as we improve our provision, it is important that we identify the appropriate bases to accommodate each person based on their individual needs as they become apparent to us. This will be through questions undertaken prior to visiting our school, either in a visitor pre-questionnaire, or application for employment, or, for students through a detailed deconstruction of their EHCP at the consultation stage for placement at Woodside Group. Consideration will be given to each person as an individual, with adjustments to the environment taking place before and during their time with us to ensure full access to all environments, curriculum offering and information.

The action plans below were constructed following accessibility audits undertaken wc 14/06/2021. Prior to July 2022, LRB consulting will conduct independent accessibility audits in order to highlight areas of unidentified need and amendments. These findings and subsequent modifications and actions will then be incorporated into the tables below.

Schedule 21: Action Plan A – Improving Physical Access

Ref	Targets	Action	Person Responsible	Time Scale	Resources
Ambulatory Disabilities 1	To maximise ingress and egress for those with ambulatory disabilities	a) wheelchair ramps fitted or available for front step, side door, entrance to front room and toilet at BBOLC. b) Handrails to be fitted throughout the ground floor and on entrance to the stairs. c) Installation of anti-slip surface to step area.	Proprietor/ Head Proprietor. Proprietor	September 2024	Ramps Handrails Identify suitable materials for c)
Ambulatory Disabilities 2	To allow for toilet access for those with ambulatory disabilities	a) Working alongside the owner of the property to modify the utility room into a disabled toilet.	Proprietor	December 2025	Builder, required materials
Ambulatory Disabilities 3	To allow for ease of first aid access	a) Wheelchair ramps made available to access First Aid room.	Head/Safeguarding and Compliance Lead.	September 2024	Ramps
Ambulatory Disabilities 4 Dexterity Disabilities 1	To allow parking in close proximity to buildings for those with ambulatory or dexterity disabilities	a) Provide designated disabled parking bays with clear signage	Proprietor/Head	September 2024	Clear signage for disabled parking
Dexterity Disabilities 2	To allow for ease of access routes throughout the building.	a) installation of handrails throughout corridor areas b) ensure all corridors are free of furniture that hinders ease of access to learning spaces, especially considering the student entrance area	Proprietor/Head	September 2024	Handrails Door handles/ hinges
Visual Disabilities 1	To allow unobstructed routes to, through and out of buildings.	a) to ensure hazard tape is used to identify areas of risks: ...front steps, ...steps to lounge area ...steps to staircaselarge signage considering font and colour choice suitable for those with visual impairments around the building to indicate fire	Head/Safeguarding and Compliance Lead.	December 2024	Yellow Hazard Tape

		exits and toilets.			
Auditory Disabilities 1	To ensure fire alarms are represented visually.	Install beacon lights to flash when fire alarm sounds in all teaching rooms and common areas such as the lodge.	Proprietor	December 2025	Beacon Lights
Auditory Disabilities 2	To allow access to auditory information	Source Eversound listening system or equivalent	Proprietor	December 2025	Listening system
Hidden Disabilities 1	To allow access to visual representation of language.	a)All signage to be pictorially represented e.g room signs, toilets, exits and entrances.	Head	December 2024	Pictorial signage
Hidden Disabilities 2	To limit anxiety of access to new buildings and staff.	a)online tour of Brickyard b)full staff profiles with pictures c)personalised floor plans	Head Head Head	January 2024	NA
Hidden Disabilities 3	To provide access to a quiet, regulatory environment internally and externally.	a)to make clear signage on the floor plan towards the sensory/nature garden. b)to share location of the sensory area on arrival at site.	Head member of staff responsible for visitors/students.	January 2024	NA

ACCESSIBILITY PLAN

Schedule 22: Action Plan B – Improving Curriculum Access

Ref	Targets	Action	Person Responsible	Time Scale	Resources
External Communication 1	To ensure all parents/carers to have an understanding of the curricular provision available to the student	<ul style="list-style-type: none"> a) Bi-annual online meetings for parents to understand and explore curriculum offering in order for partnership and reinforcement of positive attitude to school in the home environment. b) Bi-annual reporting of child's attainment and progress, with guidance literature available for clarity of information. 	Regional Education Manager HOB	September 2023/Ongoing Ongoing	N/A
External Communication 2	To ensure joint home/school awareness of any emerging needs/barriers to the curriculum.	<ul style="list-style-type: none"> a) Termly review and report of any emerging needs in ambulatory, dexterity, visual, auditory or hidden disabilities. b) Establish and maintain clear communication channels with parents/carers to share dynamic developments both in school and at home. 	HOB HOB	Ongoing Ongoing	N/A
Internal Communication 1	For all staff to have knowledge of students needs and methods of supporting	<ul style="list-style-type: none"> a) EHCP dissection and sharing of strategies to support students, as well as to identify emerging school-wide training needs b) Key workers to be identified to support and oversee day to day development of individual students, and take responsibility for updating student profile 	HOB HOB	Ongoing Ongoing	N/A
Internal Communication 2	To have an understanding of individual cohort needs	<ul style="list-style-type: none"> a) HOB sharing emerging patterns of behavior of students, suggesting training needs for their team to the Headteacher. 	HOB	September 2023/Ongoing	N/A
Internal Communication 3	To actively identify barriers to learning for each child and provide an environment to strategise and overcome these barriers	<ul style="list-style-type: none"> a) Core Group meetings attended by Head of Base, Director of Education, Regional Education Manager and PSHE, Maths and English teachers held termly to discuss the learning journey and barriers of each student at base and provide strategic guidance. 	Regional Education Manager	Ongoing	N/A
Staff Training 1	For all staff to be able to support and develop learners' reading.	<ul style="list-style-type: none"> a) Reading intervention training for identified members of staff. b) Basic phonic intervention training for familiarisation of key strategies and frameworks for all staff. 	Regional Education Manager	By October 2023	Online courses/resources Video training
External Expertise 1	To ensure early intervention and best practice in areas	<ul style="list-style-type: none"> a) Work with Speak Easy to construct a framework to identify emerging needs that require OT or SALT intervention 	Headteacher	By December 2023	N/A

	associated with OT and SALT.	b) Work with Speak Easy to establish strategies that all staff can use to benefit learners daily, based on their expertise			
Resources 1	To identify and utilise best in class resources to support curricular activities	a) Through findings of EHCP dissections identify resources appropriate for each individual child b) Through consultation with National Autistic Society, Speech and Language Therapists and Occupational Therapists identify pioneering resources appropriate for Autistic learners and/or its comorbid conditions	HOB Headteacher	Ongoing Ongoing	Identified Resources Identified Resources
Visual Impairments 1	To allow visually impaired learners to access the curriculum	a) Consult with Royal Institute for the Blind and Warwickshire's Visual Support Team to identify ways in which we can improve access to the curriculum for visually impaired learners	Headteacher	October 2023/Ongoing	As identified
Hearing Impairments 1	To allow students with hearing impairments to access the curriculum	a) Consult with Royal National Institute for the Deaf and Warwickshire's Hearing Support Team to identify ways in which we can improve access to the curriculum for auditorily impaired learners	Headteacher	October 2023/Ongoing	As identified

ACCESSIBILITY PLAN

Schedule 23 Action Plan C – Improving the Delivery of Written Information

Ref	Targets	Action	Person Responsible	Time Scale	Resources
External Communication	To ensure parents/carers and visitors to access written information	a) Provide alternative formats available on request e.g. large font, braille, pictorial or symbolic b) translate documents on request, with identified software (see resources)	Headteacher Headteacher	October 2022/Ongoing	As identified in 'Resources' section.
Internal Communication	To ensure students and staff have access to written materials	a) Have alternative formats available on request e.g. large font, braille, pictorial or symbolic b) translative documents on request, with identified software (see resources) c) Provision of magnifier d) Ensure clear font and coloured backgrounds in documents through consultation with Warwickshire Visual Support Team e) Signage at base to have pictorial representation for non-readers	Headteacher Headteacher Headteacher Headteacher HOB	October 2022/Ongoing	Magnifier Signage
Staff Training	To understand the needs of individual students	a) Dissection of EHCP by Head of Base to identify written information needs e.g. visual impairment b) Consult with student around font size/colour of background etc c) Consult with student around use of pictorial/symbols	HOB HOB/Keyworker HOB/Keyworker	Ongoing October 2022/Annual	N/A
External Expertise	To ensure best practice and high expectation of learners accessibility to provision	a) Consult with Regional Education Manager/External experts to understand alternative methods of reading written information and when appropriate to utilise these methods.	HOB	October 2022/Ongoing	N/A
Resources	To ensure high quality translation of materials	a) Research and invest in accurate translation software (Deep L, Memo Q, Global Link etc) b) Research and invest in software for pictorial representation, having consulted NAS etc.	Headteacher Headteacher	December 2022 December 2022	As identified
Visually Impaired	To ensure visual impairment is in no way a	a) Report accessibility arrangement for examinations (if appropriate) to the Exams Officer to book	HOB	Ongoing	N/A
